Subject: Search for Patents and/or Pending Patents
relating to BSR X3.110, Videotex/Teletext
Presentation Level Protocol Syntax
(North American PLPS)

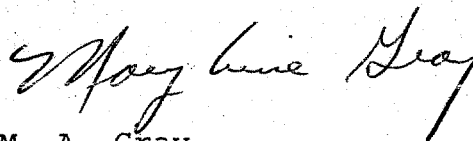

Dear Cathie:

IBM has not made an investigation as to whether or not we have any patents or any patents pending regarding the above standard.

To the extent that IBM has or obtains any patent covering the above standard, that patent will be available under reasonable and nondiscriminating terms and conditions for licensing.

Thank you for your attention to this matter.

Sincerely,

M. A. Gray
IBM X3 Principal
