Establishment of a JTC 1 Study Group On Quantum Computing

As per JTC 1 Stockholm resolution 7, JTC 1 has established a JTC 1 Study Group on Quantum Computing. The Terms of Reference are contained in document JTC 1 N14027 resolution 7. Membership is open to:
1. JTC 1 National Bodies, JTC 1 Liaison Organizations and approved JTC 1 PAS Submitters;
2. Representatives of JTC 1/SCs, JTC 1/WGs, relevant ISO and IEC TGs;
3. Members of ISO Central Secretariat and IEC Central Office;
4. Invited standards setting organizations that are engaged in Quantum Computing standardization as approved by the SG on Quantum Computing.

Initial members include: Australia, Canada, China, Germany, Ireland, Japan, Korea, UK, US, SC 27 and SC 42.

This serves as a call for additional participation. Please add the name(s) of your participant(s) ASAP in ISO Global Directory under ISO/IEC JTC 001/SG 02 "Quantum Computing"
