Dear Rachel,

The T11 committee voted to recommend the following standards or technical reports for Reaffirmation or Stabilization during the April 2019 plenary meeting.

Motion 1: Steve Wilson (Broadcom) moves and Greg McSorley (Amphenol) seconds that the following standard be recommended for Stabilization (2/3 Meeting). The rationale for stabilization is that the standards have ongoing validity and effectiveness, but they are mature and unlikely to require maintenance of any sort. The motion passed with 15 favoring, 0 opposing, and 0 abstaining.
