Dear Rachel,

TG 11.3 requested that INCITS initiate the T11 letter ballot for revision 1.08 of FC-SW-7 (T11-2019-00003-v002). The letter ballot was performed and completed using the ICMS system. The ballot closed on March 6, 2019. The vote carried with 14 in favor, 0 opposed, and 0 abstaining. Several comments were received from companies voting Yes on the ballot. These comments were addressed by the committee and are contained in the comment resolution document T11-2019-00090-v001.

At the April 2019 T11 plenary meeting, Craig Carlson (Marvell) moved to accept the resolution of comments contained in T11-2019-00090-v001 and forward the resulting FC-SW-7 draft standard Rev 1.09 contained in T11-2019-00003-v003 to INCITS for further processing, including first public review. The motion was seconded by Patty Driever (IBM). The motion carried 15-0-0.

Could you please take the appropriate steps for performing first public review and further processing of the standard?

Thank you for your assistance in this matter.

Regards,

Steven Wilson
