2.1 Attendance and Membership
   Attendance is recorded electronically at [https://www.incits.org](https://www.incits.org). Attendance at this meeting does not count toward attendance at the plenaries of T11 and its task groups (i.e., being here will not get you out or keep you out of membership jeopardy). All persons present are considered members of this meeting and may vote on questions, limited to one vote per company present. Although T11 does not limit participation in the activities of its work groups to representatives of T11 member organizations, it requires nonmembers to identify themselves as such. Members of the press are required to identify themselves as such.

**Please NOTE: Failure of guests to identify themselves and the organization which they are representing may result in removal from the meeting.**
