## **1 Opening Remarks and Introductions**

### **1.1 Introductory Remarks**

TC T11 chair Steve Wilson (Broadcom) convened regular meeting #172 of the INCITS Fibre Channel (T11) Technical Committee on Thursday, 11 August 2022 at 1:00 PM CDT. He introduced himself and thanked our host Cisco for the physical meeting facilities as well as the virtual meeting facilities.

He next introduced Vice-Chair Craig Carlson (Marvell) and Patty Driever (IBM) as secretary.

### **1.2 Self-introductions**

The chair then asked those present in the room to introduce themselves.

### **1.3 Operating under INCITS Procedures**

#### **1.3.1 Patent Information**

The chair indicated that among the rules and policies under which this Technical Committee operates are the ANSI intellectual property policies as specified in pages 1-3 of INCITS patent policy slides available from <http://www.incits.org/standards-information/legal-info>.

He displayed these pages without comment or explanation, and directed that questions about the policy should be referred to the questioner's legal counsel or the ANSI General Counsel.

### **1.3.2 Antitrust Guidelines**

The chair indicated that among the rules and policies under which this Technical Committee operates are the INCITS Antitrust Guidelines as specified in <http://www.incits.org/standards-information/legal-info>. Any person present at the meeting is responsible for objecting if he believes discussion in the meeting violates those guidelines. As examples, there should never be discussion of the following topics at any INCITS or INCITS subgroup meeting:

- Any company's prices or pricing policies;
- Specific R&D, sales and marketing plans;
- Any company's confidential product, product development or production strategies;
- Whether certain suppliers or customers will be served;
- Prices paid to input sources; or
- Complaints about individual firms or other actions that might tend to hinder a competitor in any market.

If such discussion is not immediately terminated, it is the chairperson's responsibility to terminate the meeting.

### **1.3.3 Code of Conduct**

The chair reminded everyone that we are operating under the INCITS Code of Conduct (found at <https://www.incits.org/standards-information/policies>). The General Principles of this code include:

- Respect others
- Behave ethically
- Escalate and resolve disputes
- Work for the net benefit of the community
- Uphold consensus and governance
- Agree to a clear purpose and scope
- Participate actively and manage effective participation

### **1.3.4 Public access rules**

The chair indicated that among the rules and policies under which this Technical Committee operates are the INCITS rules for operating in Public Access Mode, as specified in Section

3.11 of INCITS Organization, Policies, and Procedures (found at <http://www.incits.org>).

The chair encouraged those nonmembers who attend T11 meetings regularly or intend to attend T11 meetings regularly to join the organization. He further advised that nonmembers, by remaining in this meeting, acknowledge that they understand and agree to the policies of this meeting.

## 1.4 Attendance

The chair instructed those present how to register using the electronic attendance list for this meeting, found via the URL <http://standards.incits.org/login>. He reminded those present that both the electronic attendance list and physical presence at the meeting will be required to qualify as attendance for formal records of this meeting.

## 2 Approval of the Agenda

An electronic version of the agenda was posted as T11-2022-00225-v001. The chair presented the agenda with final updates as T11-2022-00225-v002 and made a call for any changes and new agenda items. No changes or new items were requested.

Chris Lyon (Amphenol) moved and Kiran Ranabhor (Cisco) seconded that T11-2022-00225-v002 as presented at this meeting be approved as the agenda for this meeting. The motion passed by acclamation.

## 19 Future Meeting Schedule

### 19.1 Authorization of adhoc meetings

The chair directed members to the ICMS T11 calendar located at the T11 section of the web site <http://standards.incits.org> the latest announcements of pending work group interim meetings and teleconferences. He advised that authorization of ad hoc work group meetings is delegated to the appropriate TG, if any.

The vice chair will account for these requests in the schedule for the T11 plenary week hosted by SNIA/SFF in the Dallas/Fort Worth, TX area and by Marvell via Zoom for the hybrid-format conference 3-7 October 2022.

### 19.2 Guidelines for hosting T11 meetings ([T11-2017-00151-v000](#))

For members who are considering hosting future plenary meetings, the chair directed their attention to “Guidelines for hosting T11 Plenary Weeks” T11-2017-00151-v000. This information includes guidelines for hosting a T11 meeting week and room night histories of past meeting weeks. This is required reading for those who are considering hosting because it summarizes the needs of the committee for meeting facilities and gives considerations that may reduce costs for the host.

Groups arranging to meet with T11 were strongly advised to confirm with the host any changes in their needs for meeting space well before the meeting. Failure to do so could easily cause serious inconvenience to the host and/or the group.

### 19.3 Request for hosts and 2022–2023 meeting schedule

The chair announced the following schedule for 2022-2023.

## 19.4 Approval of Meeting Venues

### 19.4.1 June 2023

INCITS has placed their Officer's Symposium over the dates we had chosen for this week. Craig Carlson (Marvell) has looked into hosting that month, and Tahoe is only available on this chosen week, but Reno is available the currently chosen week as well as the week after. The consensus of the group was to stick with the original June dates.

### 19.4.1 Other 2023 dates

SFF has not locked down the hotel for October 2022, but will be doing so next week and will post and email the hotel arrangements soon.

Chair will update meeting calendar to reflect Marvel hosting in June 2023, FCIA hosting in February 2023, Broadcom hosting in April 2023, and Amphenol in December 2023.

See action item [22-016](#).

## 19.5 Next meeting information

The chair reminded the membership that the next T11 plenary week, October 03-07, is planned to be a hybrid meeting with the face-to-face meeting in Dallas/Ft. Worth, TX hosted by SNIA/SFF and the virtual meeting will be using Marvell Zoom facilities.

#### **19.6 Letter to travel representatives on hotel rates ([T11-2022-00091-v000](#))**

The chair reminded the membership that

- T11 plenary meetings are hosted by volunteer organizations;
- A plenary host receives no reimbursement from T11 or INCITS for any expenses of hosting;
- A plenary host may depend on agreements with the meeting hotel in order to reduce the expenses of the host and also possibly, though not necessarily, reduced the room rates for the members; and
- A hotel may charge punitive extra fees to a host if the meeting does not achieve an agreed number of room nights identified with group members.

Therefore, T11 expects those attending meetings during a plenary week to stay at the meeting hotel and identify themselves as members of the T11 group, even though less expensive lodging may be found in the area, or even at the same hotel. Document T11-2022-00091-v000 has been posted which contains a letter to those with budget responsibilities for member organizations justifying this obligation.

#### **19.7 Plenary week meeting map for October 2022 T11 meetings**

The vice chair Craig Carlson (Marvell) created and the chair presented the tentative meeting map of the next T11 meeting week. He advised members for the most recent meeting map of the next T11 regular meeting to go to the INCITS website, search the T11 Meeting Information folder under October 2022.

#### **20 Final Attendance Notice / Check**

The chair reviewed the electronically registered attendance list, advised that the list was about to close, and reminded those who had not registered that the list would then become the only source of attendance for formal records of this meeting.

Final registered attendance for T11 regular meeting #172 is shown in annex A.2. 35 people from 23 member (19 voting) organizations were in attendance.

## 21 Review of Action Items

22-014	Chair to forward the FC-SP-2/AM2 draft as documented in T11/2022-00020-v006 to INCITS to initiate a T11 letter ballot.
22-015	Chair to forward the FC-SP-3 project proposal as documented in T11/2022-002xx-v000 to INCITS for further processing.
22-016	Chair to update the 2023 meeting schedule to reflect the months various companies have agreed to host.
