Dear Rachel,

The T11 letter ballot to forward FC-PI-8 for public review closed on September 19, 2022. The vote carried with 13 in favor, 2 opposed, 0 abstaining, and 4 not voting. The comment resolution process was completed during the October 2022 plenary meeting week and the results are contained in T11-2022-00287-v003. Following the comment resolution process, the two No votes were changed to Yes votes.

As documented in the draft minutes for the October 2022 T11 plenary meeting, Tom Palkert, the T11.2 chair informed the T11 Chair that T11-2022-00287-v003 contains the resolutions to letter ballot comments received on FC-PI-8 and requested that FC-PI-8 Rev1.4 as documented in T11-2022-00168-v004 should begin the 1st public review.

Could you please take the appropriate steps for performing first public review and further processing of the standard?

Thank you for your assistance in this matter.

Regards,

Steven Wilson
