Dear Lynn,

Please find attached the draft of "Information technology Fibre Channel Generic Services-9 (FC-GS-9)." revision 12.07.

During the December 2023 T11 plenary meeting, T11.3 recommended that T11 request INCITS to initiate a T11 letter ballot to approve INCITS 570-202x, FC-GS-9 Revision 12.07 (T11-2023-00117-v003) for submission to the INCITS Secretariat for first public review and further processing. This request is documented in the draft minutes of the December 2023 T11 plenary meeting, T11-2023-00430-v000, sub-clause 5.4.2.

Could you please take the appropriate steps for performing the requested T11 letter ballot? It is very important that this letter ballot be initiated as quickly as possible to ensure adequate time for the committee to address any comments prior to the upcoming February T11 meeting.

Thank you for your assistance in this matter.

Regards,
