

## Documents Currently Open for Public Review and Comment

The InterNational Committee for Information Technology Standards (INCITS) announces that the subject-referenced document(s) is being circulated for a 45-day public review and comment period. Comments received during this period will be considered and answered. Commenters who have objections/suggestions to this document should so indicate and include their reasons.

This public review also serves as a call for patents and any other pertinent issues (copyrights, trademarks). Correspondence regarding intellectual property rights may be emailed to the INCITS Secretariat at [patents@itic.org](mailto:patents@itic.org).
