Re: Licensing Statement for T11 Standards

Dear Mr. Snively:

Emulex Corporation and its subsidiaries (hereinafter "Emulex") is participating in the development of T11 Fibre Channel Interface Standards. If any of the proposed standards are adopted by ANSI as standards, and if the Emulex-owned patent application listed below matures into an issued patent and contain claims that are required for practicing these standards, a non-exclusive license will be made available to such patent to the extent required to implement the standard, under reasonable, non-discriminatory terms and conditions.

Name of Patent Application Holder:
Emulex Design & Manufacturing Corporation
3333 Susan Street
Costa Mesa, California 92626

Contact:
Randall G. Wick, Vice President, General Counsel
714-885-3691 (office)
email: randall.wick@emulex.com

Patent Application:
U.S. Application No. 11/104,230
Filing date: April 11, 2005
Status: Pending

Sincerely,

A handwritten signature in black ink that reads 'Randall G. Wick'.

Randall G. Wick
Vice President and General Counsel
