Dear Rachel,

Please find attached the draft of "Storage Management – HBA – Second Generation (SM-HBA-2)" revision 0.82. The standard is being forwarded for first public review and for further processing.

At the T11 plenary in Tucson, AZ on December 6, 2012, Dave Peterson (Brocade), the ad hoc chair requested the T11 Chair to perform a Letter Ballot for approval of forwarding Revision 0.80 of SM-HBA-2, INCITS BSR 508 (Project 1841-D), to INCITS for first public review when the document is available. The T11 Chair accepted.

The letter ballot was subsequently performed and completed. The letter ballot document, T11/12-516v0, is enclosed for reference. The letter ballot was completed on January 27, 2013. The vote carried with 19 in favor, 0 opposed, 8 abstaining, and 4 not voting. One affirmative ballot contained comments. This vote met the two-thirds rule. The result of this ballot is available online from <http://www.t11.org> by following "Ballots" and "Closed Ballots" links and is also attached below for your convenience.

There were no opposing votes cast in the letter ballot on forwarding SM-HBA-2 to INCITS for first public review.

At the T11 plenary meeting in Palm Springs, CA, on February 7, 2013, Steve Wilson (Brocade) moved and Fred Knight (NetApp) seconded to accept T11/13-023v1 as the resolution of the letter ballot comments on SM-HBA-2 and forward Revision 0.82 of SM-HBA-2 (T11/13-029v1), INCITS BSR 508, to INCITS for further processing including public review. INCITS RD-2 requires approval of this question in accord with the 2/3 rule, as determined by a meeting show of hands vote. The motion met the 2/3 rule, with 20 Favoring, 0 Opposing, 0 Abstaining, 8 Not Voting.

These actions are documented in the minutes of the February 2013 T11 plenary meeting, T11/13-082v1, subclause 13.2. This item was posted on the Approved agenda for the February 2013 meeting, T11/13-003v2.

Lists of the members of T11 who approved this standard are enclosed for your reference.

The source files for this document are enclosed in a separate e-mail.

Could you please therefore take the appropriate steps for performing first public review and further processing of the standard?

Thank you for your assistance in this matter.

Regards,

Steven Wilson
Chairman, TC T11
