

FCLC Liaison Report to T11

Thursday, February 12, 1998

San Diego, CA

FCLC Happenings Since Last Report to T11 (Dec. 97)

- Conducted Interoperability Testing at Interphase lab during week of Jan. 12-16. Results and some recommendations presented to both T11 and FCLC on Wed. of this week.
  
- Upcoming Events
  - + Follow up Interoperability testing in the planning stages, date & place TBD.
  
  - + Participating in NAB (Las Vegas) show in April. Will have a mix of shared demos, a Film Preview Station and a Post Production Station, along with approximately 20 stand alone demos.
  
  - + Participating in Spring N+I (Las Vegas) show in May. Just starting to define demos.
  
  - + Will not participate in WinHEC due to lack of interested companies.
