

PL 157

March 10, 1999

Mr. Craig K. Harmon  
Secretary - NCITS T6  
Q.E.D. Systems  
P.O. Box 2524  
Cedar Rapids, IA 52408

Dear Mr. Harmon:

Micron Communications, Inc. ("MCC") currently possesses the following patents relevant to Part V (Backscatter Systems - 2.45 GHz Hybrid Spread Spectrum RFID System) of the proposed ANSI NCITS TC-T6 standard:

1. U.S. Patent no. 5,365,551 -- Data Communication System Using Identification Protocol
2. U.S. Patent no. 5,583,850 -- Data Communication System Using Identification Protocol
3. U.S. Patent no. 5,627,544 -- Data Communication System Using Identification Protocol
4. U.S. Patent no. 5,841,770 -- Data Communication System Using Identification Protocol

In addition to the above issued patents, MCC has filed the following U.S. patent applications also relevant to Part V:

1. Method of Communications in a Backscatter System, Interrogator, and Backscatter Communications System.
2. Backscatter Communications Systems, Interrogators, Methods of Communicating in a Backscatter System, and Backscatter Communication Methods.
3. Interrogators, Communication Systems, Communication Methods, and Methods of Processing a Communication Signal.
4. Backscatter Interrogators, Communication Systems and Backscatter Communication Methods.
5. Method of Communications in a Backscatter System, Interrogator, and Backscatter Communications System.
6. Method of Addressing Messages and Communications System.
7. Method of Addressing Messages and Communications System.
8. Method of Addressing Messages, Method of Establishing Wireless Communications and Communication System.
9. Method of Addressing Messages and Communications System.

MCC intends to abide by ANSI patent policy. MCC wishes to file under section II.B., and in accordance therewith, MCC is willing to license its existing or future patents relevant to ANSI's NCITS TC-T6 standard to applicants under reasonable terms and conditions that are demonstrably free of any unfair discrimination. MCC will transmit a letter repeating the above discussion and statements to the Secretary for the attention of Mr. Chet Luck, Vice Chairman, T6.

Sincerely,

  
James E. O'Toole  
President
