Re: **Information technology - AT Attachment-8  
ATA/ATAPI Command set (ATA8-ACS)**

Dear Sir or Madam:

This is to advise INCITS that Microsoft believes it has patent rights (in the form of patent(s) and/or pending application(s)) that relate to the technologies discussed in this proposed specification. Microsoft is willing to negotiate licenses with interested parties to such patent rights as follows:

If part(s) of Microsoft's contribution is(are) included in the final version of the above-referenced INCITS standard and Microsoft has patent rights that are essential to implement such standard, Microsoft is prepared to grant a non-sublicenseable license to the necessary claims of Microsoft patent rights, to the extent that such claims are essential to implement required portions of the final version of the above-referenced INCITS standard, on reasonable and non-discriminatory terms and conditions, provided a reciprocal license is granted to Microsoft.

Microsoft's contribution and the information contained herein is provided on an AS IS AND WITH ALL FAULTS basis and hereby disclaims all other warranties and conditions, either express, implied or statutory, including, but not limited to, any (if any) implied warranties, duties or conditions of merchantability, of fitness for a particular purpose, of accuracy or completeness of responses, of results, of workmanlike effort, of lack of viruses, and of lack of negligence, all with regard to the contribution. ALSO, THERE IS NO WARRANTY OR CONDITION OF TITLE, QUIET ENJOYMENT, QUIET POSSESSION, CORRESPONDENCE TO DESCRIPTION OR NON-INFRINGEMENT WITH REGARD TO THE CONTRIBUTION.

IN NO EVENT WILL MICROSOFT BE LIABLE TO ANY OTHER PARTY INCLUDING INCITS AND ITS MEMBERS FOR THE COST OF PROCURING SUBSTITUTE GOODS OR SERVICES, LOST PROFITS, LOSS OF USE, LOSS OF DATA, OR ANY INCIDENTAL, CONSEQUENTIAL, DIRECT, INDIRECT, OR SPECIAL DAMAGES WHETHER UNDER CONTRACT, TORT, WARRANTY, OR OTHERWISE, ARISING IN ANY WAY OUT OF THIS OR ANY OTHER
