Re : Licensing Statement for T10 Standards :

Dear Mr. Lohmeyer :

PIONEER CORPORATION is participating in the development of T10 SCSI Multi Media Command (MMC) Standards. If any of the proposed standards are adopted by ANSI as standards and if any PIONEER CORPORATION owned patents and patent applications contain claims that are required for practicing these standards, PIONEER CORPORATION is prepared to offer a non-exclusive license to such patents and patent application to the extent required to implement the T10 standard, under reasonable, non-discriminatory terms and conditions, subject to receipt by PIONEER CORPORATION of a reciprocal license from the licensee.

Any party wishing to request a license should write to me at the address provided below.

Sincerely,

  
Kazumi Kuriyama  
Executive Officer  
General Manager  
Intellectual Property Division  
Pioneer Corporation
