Dear Rachel,

Please find attached the draft of "Information technology Fibre Channel Physical Interface - 7 (FC-PI-7)." revision 0.11.

During the June 2018 T11 plenary meeting, T11.2 recommended that T11 request INCITS to initiate a T11 letter ballot to approve INCITS 543-201x, FC-PI-7 Revision 0.11 (T11-2017-00156-v011) for submission to the INCITS Secretariat for first public review and further processing. This request is documented in the draft minutes of the June 2018 T11 plenary meeting, T11-2018-00181-v000, sub-clause 10.2.

Could you please take the appropriate steps for performing the requested T11 letter ballot? It is very important that this letter ballot be initiated on Monday July 16<sup>th</sup>. This will ensure that the T11 committee can address any necessary items that arise do to the latest IEEE meeting, and ensure adequate time for the committee to address any resulting comments prior to the upcoming August T11 meeting.

Thank you for your assistance in this matter.

Regards,
